Location

- Natural Science Campus, **Tennenbacher Strasse 4 („Herderbau“)**
Note that it is not in a building of the physics department
- **seminar room 100** on the 1st floor: in the passage to the courtyard, enter the staircase on your left and walk up to the 1st floor (there is also an elevator)
- the location is at **walking distance** from the Freiburg train station (1.3 km, 16 mins) and from the old town (1.1 km, 13 mins from the Cathedral „Münster“)
- **Public Transport:** it is recommended to use it *only* if you really have to. Construction works in the old town cut the convenient direct Tramway into two pieces and alternatives are not so nice anymore:
From train station:
 - a) use Bus 27 (to „Herdern“) to „Fahnenbergplatz“ and walk 1.0 km
 - b) use Bus 27 (to „Herdern“) to „Siegesdenkmal“ and change to Tram 4 here (to „Zähringen“). Get off at „Tennenbacher Strasse“ (just one stop) and walk 150 m.
→ both options will **not** save you time compared to walking*From old town:*
 - c) walk to tram stop „Siegesdenkmal“ and enter Tram 4 (direction „Zähringen“) here. Get off at „Tennenbacher Strasse“ (just one stop) and walk 150 m.
- Taxi: probably less than 10 EUR from the train station.
- **You will not need a car in Freiburg.** Everything is in walking distance. Parking is not easy at all (the old town is a huge pedestrian area).

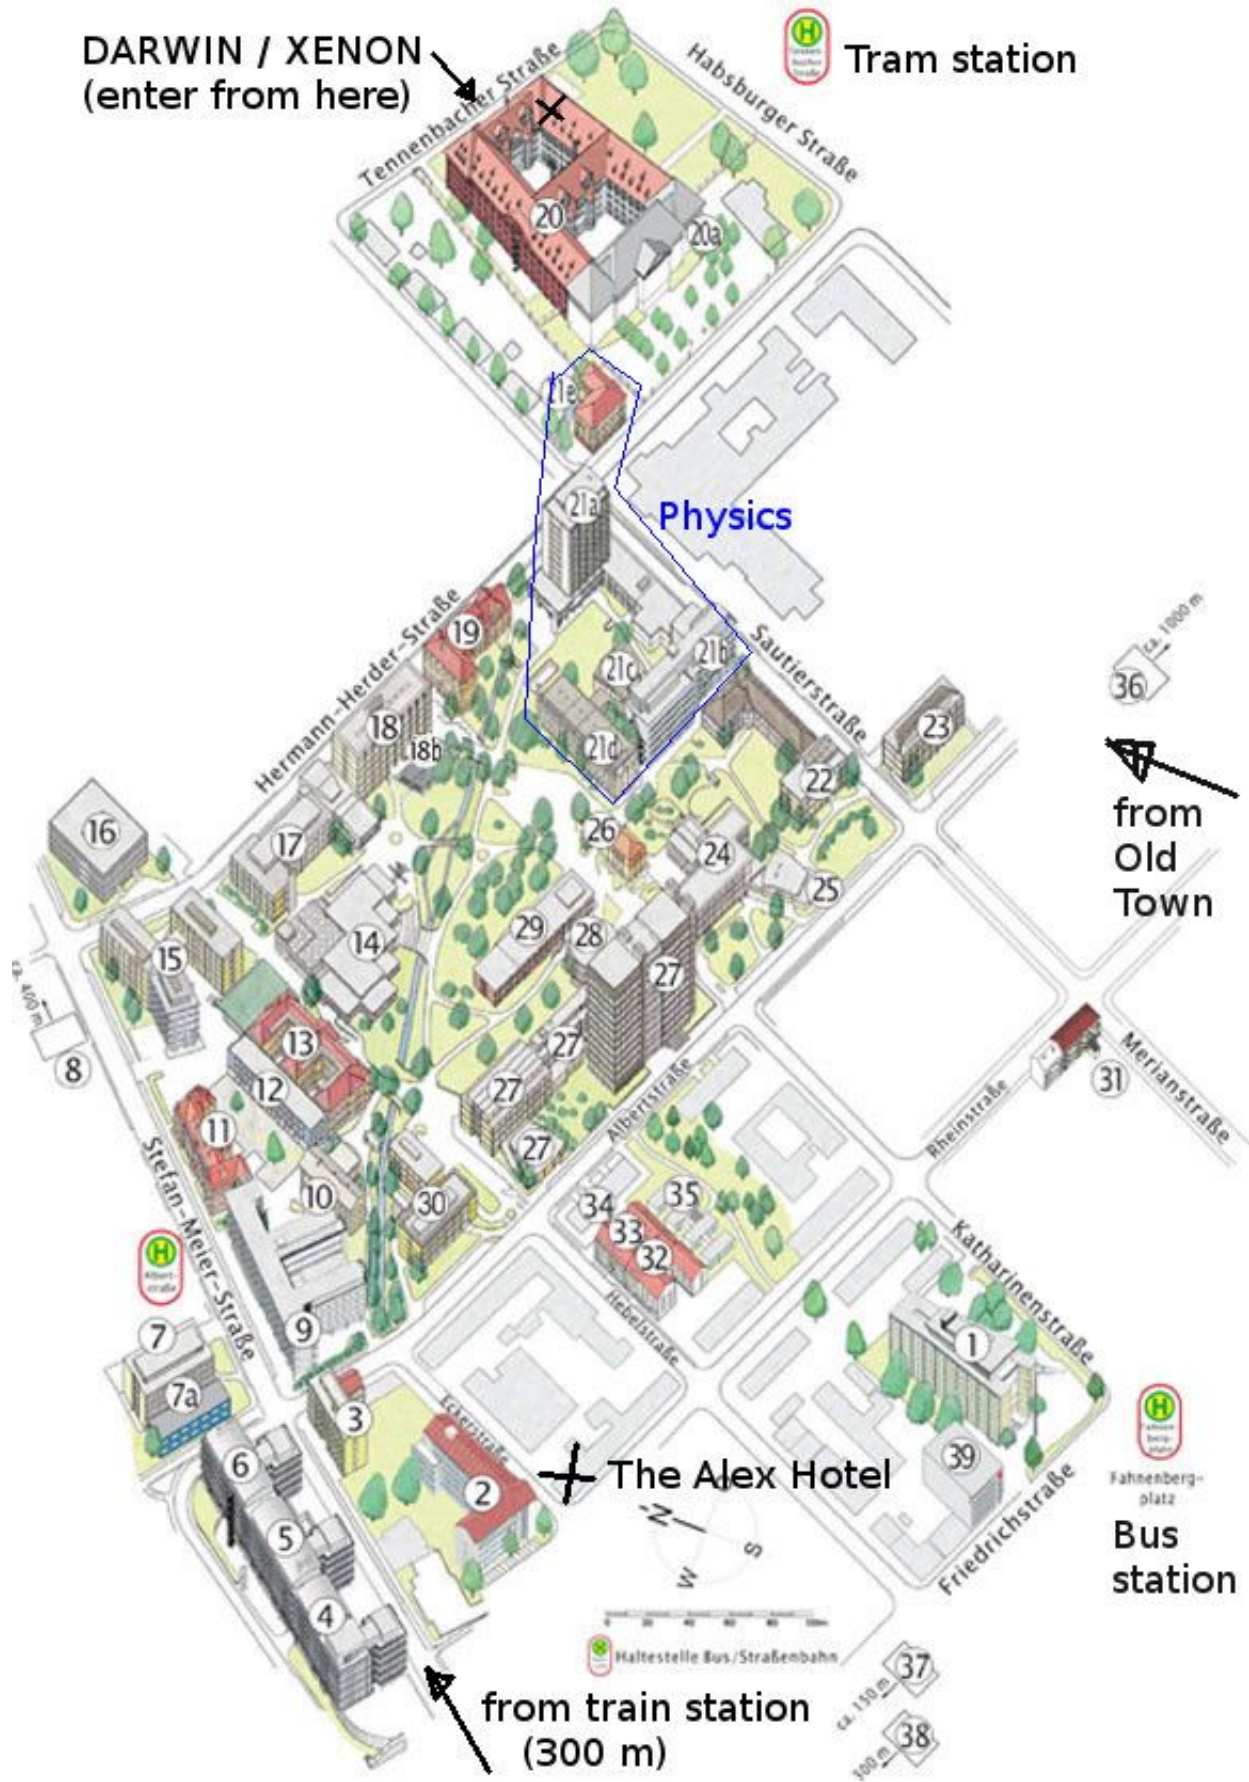

Food and cost

- we will provide refreshments at the coffee breaks
- **lunches** on Tuesday and Wednesday will take place at the Caritas Canteen, 400 m
- the **DARWIN dinner** on Monday evening is included in the fee (three courses incl. drinks). It will take place at the „**Schwarzwälder Hof**“ (Herrenstrasse 43) on Monday at 19:30. It is 1.2 km from the venue (16 mins to walk).
- for dinner after the XENON meeting, we have reserved space at the „**Paradies**“ (Mathildenstrasse 26) at 19:30 (1.1 km, 13 mins to walk). This dinner is not included in the fee – everybody has to pay for herself.
